Hello,

It's the Toronto People With AIDS Foundation's 24th birthday this month! We are proud to have had the communities support to be able to serve people living with HIV/AIDS for 24 years. THANK YOU.

As always, if you have any questions, suggestions or comments about PWA's monthly e-news, please contact us at info@pwatoronto.org or at 416-506-1400 ext. 239.

In Memory of Steve Roseland

A celebration of the life of Steve Roseland was hosted at George's Play on May 1st, honouring the passing of a Toronto community fundraising champion. This open stage memorial was in support of PWA's Food For Life program.

Among the many ways Steve Roseland was active in the community, Steve generously hosted an annual Home for the Holidays fundraiser for PWA.

The Toronto Community will miss the life of:
" a graceful spirit a giving heart.....a beautiful soul"

House of Boys - Canadian Premiere

It's 1984 and starry-eyed young Luxembourger Frank (Layke Anderson) decides to leave the comfort of his Wham!-postered bedroom for the burgeoning Amsterdam gay scene.

The film is a highly stylized and hedonistic ode to a place and time of innocence and sexual enjoyment, immediately prior to the AIDS epidemic.

ABOUT PWA

Toronto People With AIDS Foundation is the largest provider of practical direct support services for people living with HIV/AIDS in Canada.

People living with HIV/AIDS play a crucial role in the governance and operation of the Toronto People With AIDS Foundation, but, most importantly, are its heart and soul. PWA's response to HIV/AIDS is, more than anything else, inspired by the voices and experience of people living with HIV/AIDS.

Thank you for your support and interest in Toronto People With AIDS Foundation's work.
